

# FX<sup>®</sup> 9003 HEAD PROTECTOR

Simunition<sup>®</sup> – the world's most realistic and effective interactive training system – has been designed for force-on-force scenarios allowing participants to safely fire FX<sup>®</sup> Marking Cartridges. To reduce the risk of injury during these highly dynamic exercises, Simunition<sup>®</sup> developed a full line of FX<sup>®</sup> protective equipment. Its latest design is the FX<sup>®</sup> 9003 Head Protector. Tested and approved by Simunition<sup>®</sup>, FX<sup>®</sup> 9003 Head Protector is designed to withstand all calibers FX<sup>®</sup> Marking Cartridges and is certified ANSI Z87.1-1989 and European EN 166. In order to provide complete neck and head protection, the FX<sup>®</sup> 9003 Head Protector must be worn in conjunction with the user's service ballistic helmet or the FX<sup>®</sup> 9003 Hard Top (included) and the FX<sup>®</sup> 9000 Neck Protection.

The FX<sup>®</sup> 9003 has many impressive characteristics:

**Comes with a removable modular hard top for users without service helmets**

**Scratch resistant polycarbonate anti-fog coated lens**

**Comfortable, lightweight, easy to clean and one-size fits-all model**

**Provides proper cheek weld for improved target acquisition**

**SIMUNITION<sup>®</sup>**

The FX® 9003 has many impressive characteristics:

Compatible with most  
Night Vision Goggles

Desert Tan (PN 8971962)

Black (PN 8971960)

### WARNING

The FX® 9000 Series protective equipment has been designed and tested under rigorous laboratory conditions to resist impacts from all FX® Marking Cartridges. GD-OTS Canada strongly recommends the following minimum stand-off training distances when firing at protected personnel\*: 1 foot (30 cm) for 9mm FX® and .38 cal FX® Marking Cartridges, 3 feet (1 m) for 5.56mm FX® Marking Cartridges (clipped) and 6 feet (2 m) for 5.56mm FX® Marking Cartridges (linked). Due to the nature of the FX® training system, end users must refer to their respective in-service training guidelines and regulations for the authorized force-on-force stand-off distances. For use only with Simunition® FX® Marking Cartridges.

GD-OTS Canada shall under no circumstances be liable for any injury, loss or damage, or any indirect, incidental or consequential damage of whatsoever nature resulting from use or misuse of this equipment. Simunition® and FX® are product lines of GD-OTS Canada

\* Protected personnel are defined as personnel using approved mandatory FX® head, throat and groin protection (and leaving no exposed skin when using 5.56mm FX® Marking Cartridges). Simunition® products are in constant evolution towards better overall performance. Actual delivered product may vary slightly from item advertised.
