

## WARRANTY and SHELF LIFE FOR SIMUNITION® PRODUCT LINE

### SIMUNITION® FX® MARKING CARTRIDGES

#### 9MM

**Warranty** - 9mm FX® marking cartridges are guaranteed to meet manufacturer's performance specifications for **12 months** from delivery when stored in the original packaging and in a cool and dry environment (max. 25C / 77F).

**Shelf Life** - 9mm FX® marking cartridges have a shelf life of **5 years** from delivery when stored in the original packaging and in a cool and dry environment (max. 25C / 77F). 9mm FX® marking cartridges remain suitable and safe for intended use throughout their shelf life; however they may exhibit reduced performance depending on storage conditions.

#### 5.56MM

**Warranty** - 5.56mm FX® marking cartridges are guaranteed to meet manufacturer's performance specifications for **12 months** from delivery when stored in the original packaging and in a cool and dry environment (max 25C/77F).

**Shelf Life** - 5.56mm FX® marking cartridges have a shelf life of **3 years** from delivery when stored in the original packaging and in a cool and dry environment (max. 25C / 77F). 5.56mm FX® marking cartridges remain suitable and safe for intended use throughout their shelf life; however they may exhibit reduced performance depending on storage conditions.

### 9MM/5.56MM SECURIBLANK® and 9MM/5.56MM FX® NON-MARKING

**Warranty** - 9mm / 5.56mm SecuriBlank® and 9mm / 5.56mm FX® Non-Marking cartridges are guaranteed to meet manufacturer's performance specifications for **12 months** from delivery when stored in the original packaging and in a cool and dry environment (max. 25C / 77F).

**Shelf Life** - 9mm / 5.56mm SecuriBlank® and 9mm / 5.56mm FX® Non-Marking cartridges have a shelf life of **5 years** from delivery when stored in the original packaging and in a cool and dry environment (max. 25C / 77F). These training cartridges remain suitable and safe for intended use throughout their shelf life; however they may exhibit reduced performance depending on storage conditions.

### SIMUNITION® FX® 9000 SERIES PROTECTIVE EQUIPMENT

**Warranty - FX® 9000 GLOVES** - GD-OTS Canada warrants that the goods shall be free from defect in materials and workmanship during the period of **3 months** following the date of delivery. This warranty is the exclusive warranty given by GD-OTS Canada.

**Warranty - FX® 9000 SERIES PROTECTIVE EQUIPMENT** (except FX® 9000 gloves)

GD-OTS Canada warrants that the goods shall be free from defect in materials and workmanship during the period of **12 months** following the date of delivery. This warranty is the exclusive warranty given by GD-OTS Canada.

**Limitation of Warranty** - Simunition® FX® 9000 Series Protective Equipment are designed for use with 9mm, .38 cal. and/or 5.56mm FX® Marking Cartridges only. Use of any other ammunition is dangerous and shall void this warranty.

Note: Normal wear and tear and lens scratches are not covered by this warranty.

### SIMUNITION® CONVERSION KITS

**Warranty** - GD-OTS Canada warrants that the Simunition® conversion kits and associated components or accessories shall be free from defects in material or workmanship under normal use during the Warranty Period. During the Warranty Period, GD-OTS Canada will repair or replace, at no charge, products or parts of a product that proves defective because of improper material or workmanship, under normal use and maintenance. The Warranty Period for the Physical Goods purchased from GD-OTS Canada or approved Simunition® Distributors is **60 months (5 years)** or 10 000 rounds fired, whichever comes first, from the date of purchase.

**Limitation of Warranty** - Simunition® conversion kits are designed to fire Simunition® Reduced Energy cartridges only (FX® marking rounds, SecuriBlank® training blanks and CQT® force on target training rounds). Use of Simunition® conversion kit with any other kind or brand of ammunition shall void the warranty. Normal wear and tear is not covered by this warranty.

In order to obtain warranty service, the purchaser/user must first fill out a warranty service request in order for GD-OTS Canada to determine the problem and the most appropriate action. The warranty service requests can be found on our website at the following link: <http://simunition.com/en>, using the Contact Us tab at:

1. [http://www.simunition.com/en/contact\\_us/customer\\_service/usa](http://www.simunition.com/en/contact_us/customer_service/usa); or
2. [http://www.simunition.com/en/contact\\_us/customer\\_service/other\\_countries](http://www.simunition.com/en/contact_us/customer_service/other_countries).

Note: *Simunition® FX® marking cartridges, Simunition® conversion kits and Simunition® FX®9000 Series personal protective equipment are exclusively designed and intended to be used together as the Simunition® Training System. GD-OTS Canada Inc. cannot guarantee the performance or safety of using the Simunition® Training System with any non-Simunition® products. Use of any non-Simunition® products with the Simunition® Training System will void the manufacturer's warranty and GD-OTS Canada Inc., its employees, agents, officers and affiliates will not be responsible for any personal injury or property damage that may result from such use.*
